Become a Creative Future Leader with us!

The Berlin School of Creative Leadership (BSCL), a proud member of the Steinbeis University - Schools of Next Practices (S-Next), distinguishes itself as a leading business institution, nurturing creative business leaders to transcend the limits of their personal and professional capabilities. Our vibrant academic environment provides continual, relevant education, equipping individuals to make impactful strides in their professions and lives. Our mission is clear: to turn extraordinary creative talents into unparalleled creative leaders.

In a world of rapidly changing work dynamics, intricate business landscapes, and fast-paced global markets, leaders are expected to be more than just decision-makers. They need to bring imagination to challenges, inspire those around them, and possess the knowledge and open-mindedness to navigate uncertainty, make tough choices, and seize unprecedented opportunities.

Here at the Berlin School, we present an MBA program particularly crafted for creative professionals across a vast variety of industries where innovation is of vital importance. Our esteemed faculty is a blend of renowned academics and pioneering creative business experts who are at the top of their individual domains. Our carefully designed curriculum delves into contemporary leadership and creative business subjects, mirroring the continuously evolving global business realm.

Creative leadership is more than just a concept; it's a way of thinking, a structured methodology, and a set of skills. It empowers leaders to delve deeper into self-awareness and maintain authenticity, all while fostering growth in others and enhancing an organization's capability to generate value. We guide you to use your creative powers, search through the flood of information, and find the optimal solution tailored to you and your unique situation.

Our program enables professionals to adopt a full leadership skillset that allows them to lead on multiple levels simultaneously. You will learn to respond effectively to often conflicting contexts and challenges, making you an agile and adaptable leader.

By bringing together top creative executives and international leadership experts, we foster global discourse on creative leadership in the creative industries. You will be part of a community that shapes industry standards and drives innovation.
